

Friday Night Mixed Revised Curling format (starting December 4th)

2 points for every end won

1 point for every end lost

Blank the end - opposing team gets 2 points - blank team 0

If you quit early – before 8 ends -- other team gets the 2 points per end quitting team gets 0

Playoff - we will revert to the normal curling system.

The reason for the 1 point for losing every end is that it ensures no one gets no points during a game. It shows up on the points board and that way it doesn't stand out. However, we can make the point system whatever you like going forward.

To keep score:

**RED WINS ENDS 2 3 4**

THERE ARE NO BLANK ENDS

**YELLOW WINS ENDS 1 5 6 7 8**

Total score: Red 11; Yellow 13

Christmas Party - Friday, Dec. 18<sup>th</sup> starting at 9PM (the two teams scheduled to curl each other have the option of starting late or not curling that night)

Playoffs - starting Friday, March 19<sup>th</sup> and carrying over to Saturday and Sunday. The Final is usually on the following Tuesday or Wednesday (TBA). All teams have the option of curling in the A or B event playoff - sign up sheet on March 5th.
